

## **URC-300™ Transceiver Software Update Version V1.1.0 Now Available**

Software version V1.1.0 is now available for URC-300 transceivers. Customers are encouraged to take a few minutes and update their URC-300 transceivers, at their convenience, and take advantage of the software enhancements. The V1.1.0 software upgrade is included with the standard warranty.

Please contact our Customer Service team directly at [URC300Support@gd-ms.com](mailto:URC300Support@gd-ms.com), or (888)-803-0065, to obtain the software and installation instructions. For additional information on the software-defined URC-300 Transceiver please visit our [URC-300 product page](#).
